Where Park Slope meets Gowanus, you'll find 203 12th Street. This fully and elegantly renovated one family brick is move in ready and will feel like home as soon as you enter the front door.

Entering the parlor level, you'll find an open sunny layout with a front living room and dining area with white oak, wide plank wood flooring. To the rear is a chef's kitchen with all new stainless-steel Viking appliances including a dishwasher and built-in wine refrigerator. There is a large pantry, half bathroom with exposed brick wall and a rear door to a terrace and access
